26 May 1959

Dear Dick:

Your [redacted] submitted information regarding two field service engineers, i.e., [redacted]. These men are to be used as field replacements when needed.

Their qualifications have been reviewed and are acceptable. Approval of [redacted] is subject to security approval.

It is understood that these men will be used in the M&O facility until reassigned to the field and will be within the M&O ceiling of 32 people. Assignment to the test site for training must have the approval of the Commanding Officer in accordance with existing procedures.

Very truly yours,

SIGNED
Dan
